

KsAWWA OTC Committee

Workshop Objectives:

The objective of this workshop is to provide a discussion for newer operators in water treatment & distribution. Many topics will be discussed during the 2 day workshop. In addition, the workshop will provide information in helping an operator to prepare for certification and testing through KDHE or KWEA ABC certification.

Who Should Attend?

Water Treatment Operators & Distribution System Operators & Maintenance

Fees & Registration

Workshop fees are \$70.00. To reserve a seat at this workshop, please fill out the registration form and return it with your fee or register online. Seating is limited so sign-up and reserve your spot.

Lunch will be on your own
