

**Sponsored by KsAWWA OTC Committee
And Fort Scott Community College**

The objective of this workshop is to provide a discussion for operators in water treatment & distribution. Many topics of an advanced nature or current water topics will be discussed during the 2 day workshop. In addition, the workshop will provide information in helping an operator to prepare for certification and testing through KDHE or KWEA ABC certification.

Who Should Attend?

Water Treatment Operators & Distribution
System Operators & Maintenance

Fees & Registration

Workshop fees are \$70.00. To register for this workshop, please fill out the registration form and return it with your fee or register online.
